

Nature Trail

Welcome Young Explorer To
The Love Uxbridge Nature Trail...

As you walk around the town and find the 24 creatures hidden in the town centre, you will learn more about our local Hillingdon wildlife! All you have to do is write down the name and type of each creature on the line provided next to the correct business and don't forget to say hi as you walk past! The 25th creature can be found with the wonderful team at Colne Valley Visitor Centre where you will be able to see and find all of the real life trail creatures!
